

Christine Allen

Executive Director

Christine is a native of New Hampshire. She is a mother of boys who are all very active in sports. Her oldest boy, Liam, is a senior at Lawrence Academy in Groton, MA. Followed by her 15 year old son Dylan who is a freshman at Keene High School. Lastly, her youngest boy Griffin, 12 years old in 7th grade at the middle school. If you find Christine, you are guaranteed to meet her beloved dog Houston Charles who goes everywhere with her. Houston is also an integral part of Monadnock Peer Support Agency and loves spending time getting snuggles and belly rubs by the staff and members! Christine has been an advocate for individuals with chronic health concerns, intellectual disability and mental health concerns over the last two decades. Most recently, Christine's focus has been working toward helping this region become trauma informed and knowledgeable on intentional peer support. Christine has been the Executive Director with MPS since December of 2020 and is grateful to be a part of such a wonderful community.
