

Donald Farquhar
At-Large Board Member

Don worked as a firefighter in Manchester, CT, and then served as the fire chief of the Electric Boat Fire Department in Groton, CT. Don also served at the Connecticut Fire Academy for 15 years as an instructor and with the state's Urban Search and Rescue team for 11 years, working with medical and rescue specialist groups. He took over as the Chief of the Keene Department in April of 2022. Don studied management at Eastern Connecticut State University, earning a bachelor's degree and earned his master's in Homeland Security from The George Washington University in Washington, D.C. Since he has been the chief, he has become familiar with MPS as one of the fire station's neighbors and is excited to be joining the Board.
