 - Trips for June:
 - Mall of NH/OTRTW - Quaint, small, nice, clean, good people, then we hit the mall and then the DQ and we had a great time

- Hampton Trip is coming up on Thursday
 - Golfing on June 21
- Ideas for next month's trip:
- Washington Wellness
 - Individuals are coming to community meeting, which is AWESOME
 - If dishes aren't being cleaned, the kitchen will be shut down if it becomes a problem. New dishwasher is amazing, so use it!
 - Upstairs dishes are matched, and downstairs dishes are mismatched
- Member Feedback
 - Seana - I want more time for the trips, because we run out of time frequently and are not able to even get through a full round of minigolf, and be able to spend more than an hour at the mall
 - Seana - Fire drills are really important, and we should do some silent ones in addition to noise ones
